2007

Sunday	Monday	Tuesday	Wednesday	Thursday	Friday	Saturday
	 				1 Play Peek-a-Boo with your child by hiding behind her favorite book. Finish your game by reading the story.	2 
3 Print the letters in your preschooler's name. Ask him to name three words that begin with each letter.	4	5 	6 Babies love to look at themselves! Stand in front of a mirror with your baby and point out her body parts.	7	8	9 Create a guitar by stringing rubber bands across an open shoebox. Now your child can strum along to his favorite songs.
10 	11 Develop your baby's motor skills by moving her arms up and down while singing a fun song, like <i>The Wheels on the Bus</i> .	12	13	14 Today is Flag Day! Have your child draw a flag then attach it to a stick. Play music as he marches with the flag in hand.	15	16 
17 Today is Father's Day! Help your child make a card for her father, grandfather, or a family friend who is a dad.	18	19 	20 Tomorrow is the first day of summer! Let your child paint on the sidewalk using a paintbrush and a bucket of water.	21 	22 Have a pretend phone call and ask your child what he did yesterday, is doing today, and wants to do tomorrow.	23 
24	25 Using a food pyramid on the side of a cereal box, show your child what food groups her favorite foods belong to.	26 	27	28 Create a homemade rattle for your baby by filling a small bottle or jar with pennies, uncooked rice, or hard beans.	29	30 Plan a "TV Blackout" night. Instead of watching TV, read aloud or play games with your child.
