2009

Sunday Monday Tuesday Wednesday Thursday Friday Saturday

							1 Talk about the letter <i>H</i> , then discuss things to do that begin with the letter.
2		3 Make up a song or rhyme using your child's name. Let your child add motions to the song as you sing it.		5	6 Help your child find two things that are the same shape and color. Find two things with a different shape but the same color.	7	8
9		10	11 Can you find something in your refrigerator that is a circle? Make a circle shaped snack!	12	13	14 Read <i>When I Was Little Like You</i> by Jill Paton Walsh with your child. Talk about how you are alike.	15 
16 Count from one to five with your child. Help them write the numbers.	17 	18	19	20 Play a game of leap frog. Measure how far your child can "hop."	21	22	
23	24	25 Play 'Simon Says' with your child.	26	27 	28	29 Practice counting with your child. Place five objects on a table. Take one away. How many are left?	
	30	31
