

Spring After Spring: Criss Cross

This printable and interactive Criss Cross puzzle aligns with *Spring After Spring: How Rachel Carson Inspired the Environmental Movement* by Stephanie Roth Sisson.

Across

- 3. when you carefully examine or study something to learn more about it
- 5. when you protect something or someone from harm or attack
- 6. when you gather and organize information, ideas, or items into a collection
- 8. when you make someone feel motivated or excited to do something
- 9. when things spread out in different directions, often suddenly
- 11. when something can be seen easily

Down

- 1. when you find facts or clues that help prove something is true
- 2. when you see the first light of day as the sun begins to rise
- 4. when you personally go through or take part in something
- 7. when people or animals move from one place to another, often with the seasons
- 10. when something is very bright, clear, or full of life
