

READ FOR SUCCESS

Read for Success is an innovative reading program developed to increase reading proficiency. Children who are not engaged readers risk falling behind over the summer. Reading is Fundamental’s summer program will make learning fun through STEAM-based activities, encouragement and child choice in book selection.

RIF’s *Read for Success* Summer Kit includes:

- **STEAMED-themed**, read aloud book collection designed to complement your summer program.
- **Teacher’s Guide**—Easy-to-follow guide for project-based STEAM activities, comprehension strategies and speaking and listening skills.
- **Books for Students**—20 student tote bags, 20 student reading journals, and a choice of six books per child from the full RIF collection (120 books for take-home reading).
- **Professional Development**—Online modules with tips on best practices for integrating content area knowledge in the classroom.
- **Ongoing updates** to electronic puzzles, word searches and classroom resources.

Priced affordably to implement in your program at \$50 per student. Shipping is always free.
