

Chicken Noodle Cures a Cold

I have a cold.

Mom always says that chicken
soup cures a cold!

Mom makes soup for me.

Mom shows me how to make it.

How to Make Chicken Soup

- Get a big pot.
- Get an adult to help you.
- Put chicken in the pot.
- Put water in the pot.
- Put carrots in the pot.
- Put onions in the pot.
- Put celery in the pot.
- Put salt in the pot.
- Put noodles in the pot.
- Put the pot on the stove.
- Boil the soup for one hour.
