She ate a spider to get the fly.
Why a fly? She may die.

She ate a bird to get the spider.
Why a fly? She may die.

She ate a cat to get the bird.
Why a fly? She may die.

She ate a dog to get the cat.
Why a fly? She may die.

She ate a goat to get the dog.
Why a fly? She may die.

She ate a cow to get the goat.
She is dead now.
