Chicken Noodle Cures a Cold

I have a cold.

Mom makes soup.

Mom shows me how.
How to Make Chicken Soup

Get a big pot.
Put chicken in the pot.
Put water in the pot.
Put carrots in the pot.
Put onions in the pot.
Put celery in the pot.
Put salt in the pot.
Put noodles in the pot.
Put the pot on the stove.
Boil the soup for one hour.
Chicken Noodle Cures a Cold

I have a cold.

Mom always says that chicken soup cures a cold!

Mom makes soup for me.

Mom shows me how to make it.
How to Make Chicken Soup

Get a big pot.
Get an adult to help you.
Put chicken in the pot.
Put water in the pot.
Put carrots in the pot.
Put onions in the pot.
Put celery in the pot.
Put salt in the pot.
Put noodles in the pot.
Put the pot on the stove.
Boil the soup for one hour.
I have a cold.

My nose is stuffy and my throat hurts.

I stay home from school.

Mom always says that chicken soup cures a cold!

Mom makes soup for me.

Mom shows me how to make it.

This is how she does it.

Now you can make chicken soup, too.
How to Make Chicken Soup

Get a big pot.
Put chicken in the pot.
Put water in the pot.
Put carrots in the pot.
Put onions in the pot.
Put celery in the pot.
Put salt in the pot.
Put noodles in the pot.
Put the pot on the stove.
Boil the soup for one hour.

Finally the chicken soup is ready.
It smells so good.
Mom and I eat chicken soup.
Mmm, soup! It is hot and tasty.
I feel better already!
