RIF READING SUMMER CAMP

Dear Families,

Welcome to Reading Is Fundamental's (RIF) 2025 Reading Summer Camp at RIF.org/Summer. RIF, the nation's leading children's literacy nonprofit, provides high-quality literacy resources to inspire a love of reading. Summer is a crucial time to reinforce your child's learning and prevent the "summer slide," where children can be at risk of losing some of their learning during the summer months. We are so happy to kick-off a fun reading adventure this summer. RIF's Reading Summer Camp is designed to motivate children to read more books, immersing them in the magic of summer camp—no tents or campfires required!

Explore all the exciting adventures RIF's Reading Summer Camp has to offer! Click on the cabin for your child's grade to discover free curated, age-appropriate book lists, engaging activities, interactive games, and more—ready to download with just a click. Plus, help your child's grade win our special challenge to see which cabin can read the most books! Whether diving into a thrilling story or learning something new, reading can transport you to incredible worlds.

Ready for s'more reading fun? Use RIF's Reading Scavenger Hunt and have your child see how many books they can find and then read this summer. Be sure to also check out Skybrary, RIF's interactive digital library with a special summer offer of 75% a one-year subscription. Visit Skybrary.org and enter code: SUMMER2025.

You're invited to attend Camp RIF, where every page opens a new adventure. We hope your child has a wonderful summer filled with great books and fun stories.

Happy Reading!
