		It is sometimes right to break the rules to protect someone you love.		
		A government has the right to control people's lives if it keeps order.		
		Survival is more important than staying true to your values.		
		People will do almost anything when their own life is at risk.		
		It is possible to stay kind even in a cruel situation.		
		Entertainment that shows real suffering should be banned.		
		Appearances can be more powerful than the truth.		
		One small act of defiance can change how other people think.
