

Rosie Revere and the Raucous

Riveters: The Questioners

ANTICIPATION GUIDE

DIRECTIONS

- Before you read the book, read each of the statements and place a check next to “agree” or “disagree” in the BEFORE column.
- Compare your opinions with a partner’s opinions and discuss your reasons for agreeing or disagreeing.
- After you read the book, read the statements again and place a check next to “agree” or “disagree” under the AFTER column. How has your thinking changed?

		If your first invention fails, you should give up and try something else.		
		Failing at something can actually help you learn.		
		You can tell what a person is really like before you get to know them.		
		Anyone can be an engineer, no matter how young or old they are.		
		It is worth helping someone even if you have never met them.		
		The best ideas come when you work all by yourself.		
		A good idea can come from anywhere — even from a song.		
		A home is really the people in it, not just the building.
