

City Dog, Country Frog

A RIF VOCABULARY SCAFFOLD

to spot: to see something

leash: a rope you put on an animal to keep it from running away when you take it for a walk

to sniff: to smell, breathe in through your nose

to croak: to make a low noise like a frog

to splash: to hit or kick water to make noise and get other people wet

to reply: to answer, talk back to someone when they talk to you

to admire: to like, to enjoy

to fetch: to get something for or from someone; people play fetch with dogs by throwing something for them to chase

to run "straight for": to take the shortest way, not to stop

favor: something nice you do for someone even though you don't have to
